Representative Susan Goldstein and Senator Skip Campbell to host ARC Broward 2006 Community Drivers Golf Tournament Vista Healthplans to Serve as Title Sponsor

Sunrise, FL — Representative Susan Goldstein and Senator Skip Campbell will host the 2006 Community Drivers Golf Tournament on September 18, 2006 at the Coral Ridge Country Club in Fort Lauderdale, benefiting children with autism and other developmental disabilities served by ARC Broward.

Vista Healthplans will once again serve as the Title Sponsor and the Miccosukee Tribe of Florida, also a previous sponsor of the tournament, has committed major support to this year's event.

The *Vista* Community Drivers Golf Tournament is the major fundraising event of the year for ARC Broward. The agency celebrates 50 years of serving South Florida by providing healthcare, educational, residential, supported living and other assistance to children and adults with developmental disabilities.

Now in its fourth year, the Community Drivers Golf Tournament provides a unique opportunity for companies and individuals to network with State and local elected officials. Elected officials serve as the "Community Drivers" for the day and host a foursome to complete a team of five.

Sponsorship opportunities as well as registration for golf can be found at www.arcbroward.com. Online registration and detailed information is available through the website.
