ARC Broward and the SLA Children's Foundation jointly participated in a Networker social event held at the Riverside Hotel in downtown Fort Lauderdale on Aug. 14.

Supporters from each organization came to network with other professionals in the community to raise funds for both ARC Broward and the SLA Children's Foundation.

"This was ARC Broward first social networker to be held in Ft. Lauderdale, we want to raise awareness in our community that ARC Broward has been here for 50 years providing quality services to children and families with disabilities," said Matt Leachman, director of marketing and development at ARC Broward.

ARC Broward is a private nonprofit organization providing supports and assistance primarily to children and adults with mental retardation, autism, Down's syndrome, cerebral palsy, and other developmental disabilities. ARC Broward provides a continuum of supports to more than 1,200 children and adults with disabilities.
